

Dear East Rockaway Families,

We are happy to announce that we are bringing back the Winter Academic and Cultural Enrichment program after being on hold due to COVID and we are especially excited to be offering it to the East Rockaway Community!

Winter ACE meets for six Saturday mornings from 9:00 am to 11:00 am. Each child must register for two 55 minute classes. The first class is 9:00 AM-9:55 AM the second class is 10:00 AM to 10:55 AM. Each class will have one or two high school students who will assist the teachers in the classroom. The high school students will help the children by escorting them to the next class and to the bathrooms. Parents will drop off their children beginning 8:40 AM at South Side Middle School. It is curbside drop off. Mr. D'Ambrosio will be at the curb to greet you and your children as the high school students escort them into the building for their first class. Classes end at 10:55 AM. We ask parents to come into the building for pickup. You will go to the classroom of their second class for pick up. Please remember masks are required at all times while in the building and all students must register for two classes, except for RVC Coders and Photoshop, these are two hour classes.
