An Ocean of Possibilities The 2022 Summer Reading Challenge

sponsored by the
Town of Hempstead

Dear Parent,

As the school year comes to an end, a new chapter called summer begins. Summer is the perfect time for fun and relaxation. It is also a great time to grab a good book and dive into a new adventure.

Teachers and administrators often remark that students who read during the summer perform better in school in the fall. That's why I am proud to announce the Town of Hempstead is once again sponsoring a Summer Reading Challenge. This year, to further encourage reading, we have partnered with local libraries to host a raffle ticket prize for a chance to win a one-day beach pass to one of Hempstead Town's beautiful beaches.

Our reading challenge encourages children to read at least 3 books this summer, get creative with their reading and enjoy some family reading time. Once a child has completed their challenge, he or she will earn a Town of Hempstead Excellence in Reading Certificate. Simply fill out the form on the back of this brochure and return it to Town Hall so I can then send out an official certificate to recognize our young reader.

Summer is finally here, and a book is a welcome companion wherever you go, especially at the beach! An Ocean of Possibilities awaits you at your local library, and I encourage families to take a trip to your local library to find some perfect books for enjoyable summer reading. Best wishes for a happy summer and I hope you enjoy the wonderful world of reading!

Sincerely,

Donald X. Clavin, Jr.
